

### **Director of Development**

ROI is beginning a search for a Director of Development. Full-time exempt status position responsible for leading the organization in its fund development activities, including a current capital campaign. ROI is a CARF accredited non-profit organization employing over 400 staff and serving over 400 adults and children with disabilities through the operation of residential programs and the Great Lakes Center for Autism Treatment and Research as well as programs in supported living, low-income housing, and payee services. Qualifications for the position include: bachelor's degree in a related field and a minimum of 3-5 years of fund development experience; excellent decision making and communication skills; and an ability to work as an effective team member. CFRE preferred. Review of candidate applications will begin immediately; position will remain open until filled.

Please submit your resume, a letter of intent, and three professional references to:

Scott Schrum, Chief Executive Officer
